

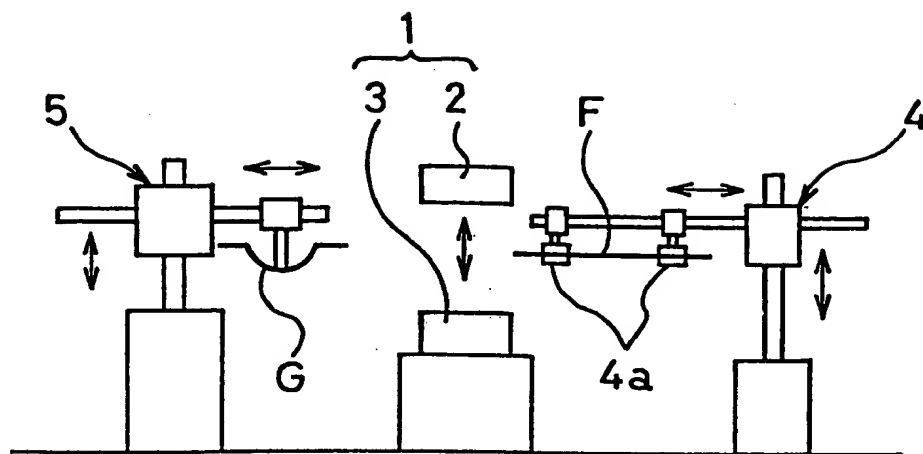

FIG. 1

(A)

Diagram (A) shows a cross-sectional view of a device. It features a rectangular block 2 at the top. Below it is a wavy line 4a, which has a small rectangular feature 4a on its left and a small rectangular feature 4a on its right. A label F points to the wavy line 4a. Below the wavy line is a U-shaped block 3. A label 3a points to the left side of the U-shaped block 3. A label 3 points to the right side of the U-shaped block 3.
